

The logo is a yellow hexagon with a black border. Inside, at the top, are five lines radiating from a central point. Below them is the text "NODESCHOOL". In the center is a line-art illustration of three buildings: a tall one on the left with a ramp, a middle one with a gabled roof, and a wider one on the right. At the bottom, five lines radiate from a central point, with the letters "A", "M", and "S" placed above the middle three lines, and dots at the ends of the outermost lines.
